

Copyright and License Transfer Agreement Form

International Journal of Applied and Experimental Biology (IJAEb)

Authors agree that the article, if accepted for publication by the International Journal of Applied and Experimental Biology (IJAEb) is licensed under the **Creative Commons Attribution License (CC-BY) 4.0**. Copyright of each article published by IJAEb is retained by the author(s) (or their employers, in some cases). Moreover, authors grant IJAEb publisher a license to publish the article. The **Creative Commons Attribution License 4.0** authorizes the reader's reuse rights and other terms and conditions of use.

Authors also hereby allow any third party the right to use the article freely provided its integrity is maintained along with the identification of its original authors, citation details and the specific journal/publisher.

Article is deemed to include all material submitted for publication with the exception of letters, and includes the text, figures, tables, author's contact details and all supplementary material accompanying the article. The authors warrant that their contribution is original and that they have a full power to make this grant. To facilitate authors, the corresponding author on behalf of all authors signs for and accepts responsibility for releasing this material. The license transferred to IJAEb covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

Please note: You retain the following rights to re-use the article, as long as you do not sell or reproduce the article or any part of it for commercial purposes (i.e. for monetary gain on your own account or on that of a third party, or for indirect financial gain by a commercial entity). These rights apply without needing to seek permission from the journal management. Please read this form carefully, sign at the bottom (if your employer owns copyright in your work, arrange for your employer to sign where marked), and return the ORIGINAL to the address below as quickly as possible. As author, you remain the copyright owner of the article, unless copyright is owned by your employer. I, the undersigned corresponding author, also certify that I/we have no commercial associations (e.g., consultancies, stock ownership, equity interests, patent-licensing arrangements, etc.) that might pose a conflict of interest in connection with the submitted article, except as disclosed on a separate attachment. All funding sources supporting the work and all institutional or corporate affiliations of mine/ours are acknowledged in a footnote.

Title of manuscript:

Manuscript number:

Names of all authors in the order in which they appear in article:

Signature of corresponding author (on behalf of all co-authors): Date:
Name and address of corresponding author:

Note: Please sign, scan and upload the scanned copy of the form to the online submission system of the International Journal of Applied and Experimental Biology. Your article will not be published unless signed copyright and license agreement form is received by the concerned journal editors/publisher.
